

# Electric Dream Days Campaign Timeline Guidebook

Event Duration:  
April 22nd through June 5th, 2023

electricdreamdays 

# Overview of Electric Dream Days

National Campaign

The Electric Dream Days campaign from Mercedes-Benz USA aims to continue to establish Mercedes-Benz as the most desirable electric luxury brand, while enticing loyal and prospective customers with exceptional offers on the luxury electric vehicle of their dreams.

We'll be introducing an entirely new marketing approach to a best-in-class luxury electric seasonal sales program in order to drive dealership traffic to experience the Mercedes-Benz all-electric vehicle portfolio during a critical sales window between Earth Day on April 22nd, and World Environment Day on June 5th. We plan to support Mercedes-Benz dealers by providing a holistic national advertising campaign, as well as a local dealer marketing toolkit.

# Overview of Electric Dream Days

Dealer Test Drive (Opt-In)

As part of the Electric Dream Days, Mercedes-Benz USA is offering to support dealerships in the execution of a local test drive event. This guide will provide all the necessary details on how to execute a successful test drive event. For any questions, please contact the Electric Dream Days team at [dreamdays@mbevents.com](mailto:dreamdays@mbevents.com).

Local test drive events are a helpful tool as they provide an opportunity for a dealership to directly engage with and educate customers on the Mercedes-Benz all-electric platform. They also provide a chance for your dealership to expand your customer database.

As an incentive to host an electric test drive, all dealerships that confirm participation by March 31, 2023, will automatically be entered for a chance to win two (2) tickets to the Taylor Swift concert on April 30, 2023 at Mercedes-Benz Stadium in Atlanta, GA.

# Dealer Benefits

Introduces a new best-in-class electric sales and marketing program on a national scale that further shapes the brand's ambitions

Entices and incentivizes loyal and prospective electric vehicle buyers on the currently available and recently launched Mercedes-Benz electric vehicle portfolio

Provides a step-by-step local test drive event opportunity to engage and educate clients or prospects about the Mercedes-Benz electric vehicle portfolio

# Overview of Key Dates

electricdreamdays 

# Test Drive Opt-In (Chance to Win Taylor Swift Tickets)

**17th**

# FAQs

Where can my dealer register for The Electric Dream Days event?

- › Authorized Dealers need to sign and submit the Letter of Intent to [dreamdays@mbevents.com](mailto:dreamdays@mbevents.com) by March 31, 2023.

What if a customer wants to bring their spouse and/or a guest?

- › Guests are welcome, each customer interested in participating will need to register onsite with their own email.
- › Purchase Incentives are unique and non-transferable, please have each customer register with their own email address.

Is there an age restriction for participating customers?

- › All participants must be twenty-one (21) years of age or older and possess a valid US driver's license at the time of the Electric Dream Days Test Drive experience.

What is the registration process look like on site?

- › All participating customers upon arrival will scan a QR code that will direct them to a registration homepage. Each customer will fill in all the required personal information including name, address, and email. As part of the registration process customers will be required to sign a waiver before participating in the Electric Dream Days Test Drive experience.
- › While customers are completing the registration on their mobile device, dealership staff should be completing the dealer test drive process which includes the scanning of a valid US driver's license.
- › Please note: the email address used to register will be the email to receive the thank you message and purchase incentive.

## CONTACT INFORMATION

- › For specific event registration or questions, please contact us Monday through Friday, 9:00am to 5:00pm EST.
