

Senior-Level Designer with corporate design experience across many industries and agencies. I bring strong Technical, Visualization, Project Management, and Copywriting skills with a passion for transforming data clutter into compelling stories.

EXPERIENCE

Doar | New York, NY May 2025–Present

Graphics Consultant

- Create templates for trial openings, evidence presentations, and closings for Federal and mock trials.
- Consult law firms to develop demonstratives/graphics to effectively highlight key points of evidence.
- Assist with juror research and tech setup for trials in Federal courthouses.

Omnicom Group/BBDO | New York, NY

AV Infrastructure Engineer

Aug 2023–May 2025

- Aligned with AV integrators to develop/install AV solutions for upgraded offices or new build outs.
- Coordinated with Omnicom's Real Estate leadership to ensure that digital signage and conference room technology was deployed within budget and effectively managed across all global offices.

AV Presentation Director

Aug 2018–Aug 2023

- Provided AV and presentation support for New Business meetings and live/virtual company events.
- Designed all presentations for the Global CEO, NA CEO, and Global Creative Director of BBDO.
- Created cross-training decks for Production Department and branded templates for virtual events.

Freelance Graphic Designer/Art Director | Various Agencies and Corporations Feb 2011–May 2025

- Consulted with senior executives and account managers to create presentations, corporate communications, marketing brochures, and collateral for pitches, client meetings and events.
- Clients included: Havas Health (2015–2018), MasterCard Worldwide (2013), Harrison and Star (2011–2012), Merkley+Partners, Mediacom, McCann Worldwide and Ogilvy

Omnicom Media Group | New York, NY

Apr 2014–Sep 2015

Art Director, New Business Development

- Consulted with account executives and senior management to develop new business presentations, RFP responses, and associated creative collateral for several Omnicom brands.
- Managed creative projects, including freelance support resources, from concept to delivery.

American Express Global Business Travel | New York, NY

Mar 2012–Apr 2013

Creative Services Manager, Business Development

- Consulted with senior account executives and sales managers to develop presentations, RFP responses, and creative collateral for client meetings and new business efforts.
- Created a library of visual sales tools for the NA sales force with branded slides and infographics.

Gartner | Stamford, CT

Aug 2004–Jan 2011

Senior Graphic Designer, Worldwide Events

- Developed optimized data-driven presentations for Research Analysts to present at conferences.
- Traveled to events to provide onsite presentation support and managed presentation delivery.
- Produced an online multimedia product with synchronized slides and audio from presenters.
